ADDITIONAL INFORMATION

PRICES

Prices include registration with the relevant awarding body and certificate(s) (if applicable) as well as all teaching materials including course notes.

Hotel accommodation (if required) is not included.

All prices are per person and exclude VAT which will be charged at the rate applicable at the time of invoice.

COMBINED SERVICE, MAINTENANCE AND INSTALLATION WITH COPPER BRAZING AND REFRIGERANT HANDLING

Please note these courses last 10 working days (Monday - Friday) and dates given **exclude weekends**. Courses will finish at approximately 2 pm on the first Friday and as soon as all assessments have been successfully completed on the final Friday.

REFRIGERANT HANDLING

*****Ammonia Assessments (City & Guilds 2078-02)** can only be held on site. Based on a day rate for maximum of 6 people + travel expenses if needed. Certificates are extra cost priced per person.

F GAS - City and Guilds 2079, Categories 1 - 4. Category 1 is offered as standard unless otherwise stated.

Category 4 (Leak Testing) can be taken in conjunction with our Maintenance course or on its own.

REFRIGERANT HANDLING - HYDROCARBONS

Anyone attending the one day Hydrocarbon (City and Guilds 6187-21) course must already hold 2079 category 1 or 2 and supply copy of their certificate upon booking.

CLOTHING

Candidates on practical courses must bring long sleeved overalls / protective clothing and safety footwear. Safety eye protection such as tinted glasses is recommended, particularly for brazing courses.

DATES

All dates are provisional and may be subject to change according to demand. Additional and further courses may be added - please visit our website for the latest details or telephone our office.

Where companies have a group of engineers requiring training, courses can sometimes be arranged by request, subject to staff and centre availability.

ON SITE TRAINING

Where companies have a group of engineers requiring training and suitable facilities we will be pleased to come to site. Please contact us if you would like to arrange this.

SPECIAL COURSES

Special courses tailored to individual company needs can also be arranged. Please contact us if you would like to discuss this further.

NVQ COURSES

PRTC offer a full range of NVQ courses (level 2 or level 3) including the City and Guilds 6090 and the City and Guilds 6187-06 qualifications.

Timetabled separately over a block release training programme, please contact the office for more information or to enrol on the next course.
